Safari Kitendo

9 DAY ITINERARY

'Kitendo' is the Swahili word for action and in partnership with Lemala, and Nomad camps and lodges we have created the most amazing and exciting dry season luxury tour.

The beauty of the savannah, plains and crater can be appreciated all year round but between July and October is when the migration reaches fever pitch and offers the best chance to witness the tens of thousands of wildebeest, zebras and gazelles stampede back and forth across the Mara River in search of the fresh short grasses. On our way north we will visit the elephants of Tarangire and the large cats of the Central Serengeti.

After each exciting game drive, our select 5-star lodges are set to relax you with sunsets, cocktails, camp fires, a superb dinner and a good night's sleep; getting ready for the next day's adventure.

Yours exclusively from, Extreme Expedition Ltd.
